

ARE YOU LEAVING MONEY ON THE TABLE?

ANNUAL TRIM CONVENTION
LAS VEGAS*2012

MARCH 7-10, 2012

THE COSMOPOLITAN OF LAS VEGAS

Doing more with less has been the catch phrase for businesses, small and large in today's challenging economic climate. The Trim Convention has been ahead of the curb for nearly half a century, bringing together major companies in the trim industry to cost effectively do business. Central to the convention's long-term success is the one-on-one meeting format, which permits vendors and customers to hold private meetings without the unnecessary expense of a trade show booth. What sales opportunities are you missing by not being there? Join your colleagues on March 7-10, 2012 in Las Vegas for the 48th Annual Trim Convention.

The COSMOPOLITAN of Las Vegas

Unlike anything you have seen in Las Vegas, The Cosmopolitan an exciting new hotel and casino resort featuring hotel rooms and condo-style accommodations, all with residential-inspired furnishings, and many with outdoor terraces that offer breathtaking views of the Las Vegas Strip. The Cosmopolitan further features numerous resort attractions, including premier restaurants and boutiques, 100,000 square foot casino, a nightclub, a full service spa and three unique pool experiences.
